Sports Armbands Case for iPhone 5

XWW-2388 Sports Armbands Case for iPhone 5

Whether it's an extreme hike or marathon run or fitness job, the Decathlon sports armband moves with you. The running armband holds the iPhone 5 while you're on the go.

The lightweight sports armband securely straps to your arm with an adjustable Velcro strap. A built-in screen shield protects the touch screen and gives you access to apps and features. With reflective surface to keep you safe when running or walking in the dark.
